

On-going SVS Fundraisers

Boston Pizza Fundraiser

We've set up an ongoing fundraising program with Boston Pizza  Creekside, Crowfoot, Beddington and Country Hills locations. It's simple and you won't have to cook. The SVS parent fundraising association will receive 10% back on all receipts submitted. All you have to do is..

- 1) SAVE receipts from eating in, take-out and delivery (unfortunately "Skip the dishes" doesn't apply)
- 2) Tell friends, neighbor, teachers, and family to save their receipts!
- 3) SEND the receipts into the school or drop them off at any of our community locations.
(MacEwan: 84 MacEwan Ridge Gate NW, Kincora: 120 Kinlea Way N.W.)

*Liquor, daily specials are excluded

All year bottle drives:

Simons Valley School is set up at 2 bottle depots and skip the depot online for fundraising!

ANYONE (parents, grandparents, neighbours, school staff, long lost relatives) can bring bottles into either location BUT they must tell them that the refund is to go to "Simon's Valley School". ANYONE can also donate using "Skip the depot" - share the link to increase our reach!

The bottle depots require drop off and SVS receives the full amount of the refund.

"Skip the depot" is a contactless service where you schedule a pickup, choose to donate to SVS and they come pick up your bottles at your home on your schedule. It's easier for some families but because it's a service a small fee is deducted before SVS receives the refund.

Here are the bottle depots:

Sage Hill Bottle Depot, 70 Sage Hill Plaza N.W.

Please let them know that your refund is going towards "Simon's Valley School". They will provide a receipt.
