

Simons Valley School

School Digital Citizenship Plan 2025-2026

Relevant contextual information about your school and School Development Plan:

- K-6 school with a diverse population
- Students' perceptions of School Connectedness and Belonging will improve.
 - Outcome #1: Students experience inclusive teaching and learning that reflects and celebrates diverse cultures and identities.
 - Outcome #2 The number of students that are designated as requiring additional support in literacy will be reduced over the school year.

Relevant evidence and data that informs your Digital Citizenship Plan:

- Some students do not have unique passwords
- As early learners, students are developing skills for digital learning

School Digital Citizenship Plan						Progress
