4. Unfinished Business:

5. New Business:

6. Questions:

Next Meeting: March 12, 2026 @7pm

Questions for Laura Hack, CBE Trustee

1. What is your role in relation to working with the government, CBE, and individual schools?
2. I see you are the Board Chair as well - what does that entail in addition to being a trustee?
3. How do you support teachers to have the resources they need to support all students in the classroom with various learning needs?
4. Do you believe the current funding for Ward 3 is sufficient? How do you work with the province to ensure there is sufficient funding and/or receive more funding?
5. How many EAs does our ward have? Do you feel it is enough, and/or are there plans to add more?
6. Our school is moving from K-6 to K-5 next year - how are these decisions made? Is it only CBE or are the trustees part of these decisions and changes?
7. What do you think is the most pressing issue or area of need in Ward 3 schools?
8. Our school has a French program this year because of a federal grant - why is French not always included in the curriculum?
9. How do you stay informed or up to date on the issues and challenges facing our students?
10. We would like to know what are the changes that have been made to help teachers after their strike. What are other changes that are planned for the future?
11. Will the French pilot class become a permanent class after this year?
12. Will they plan the designated regular primary and secondary schools to have start times that are closer than 1 hr difference - common sense for family logistics!
13. What do you think the solution to increased aggression in classrooms is?
14. What is the school district's policy on bullying? What do you think of that policy? Does it adequately address the issue?
